

River Road Renegades

Show Team

New Sponsorships

April 2011

Progress does not come without a cost. Our new sponsors have been very generous in their support. Please patronize these businesses and spread the word. Our Ad Book is very important part of our fundraising at this time. This ad book will be passed out at every show from May 29th till Sept 4th, 2011. Ad book sales can also contribute up to half of your membership costs.

Other material and cash donation sponsors include Heimkamp Construction, Reinhold Electric, Waltco, and the Brewer family.

Clubhouse Improvements

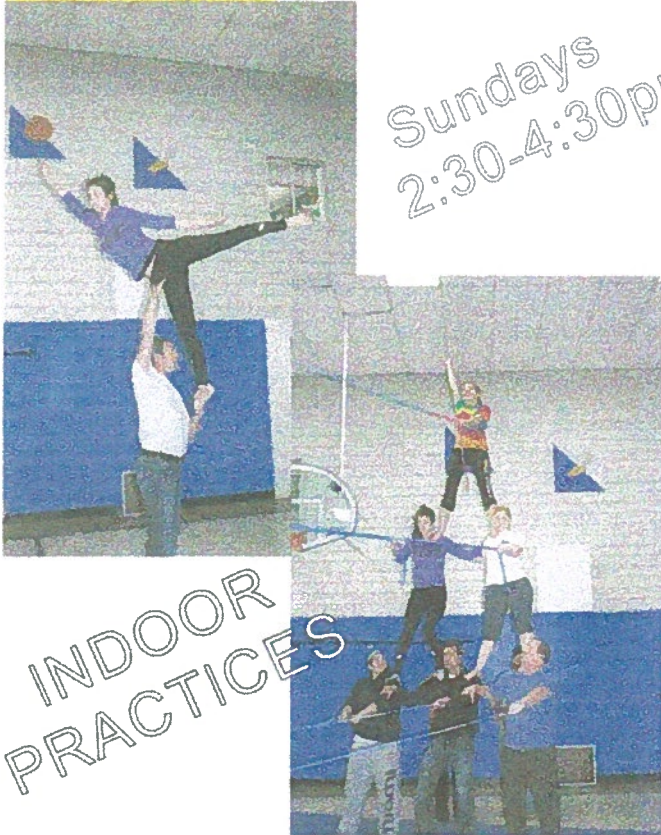

The moorings and the extension of the boat ramp have been poured for the new show site. Volunteers are working hard to get the site ready for our May 29th, 2011 opening day show. Saturday work days have been very successful in getting the clubhouse back in shape inside and out. The boat shed now has electric to it, as well. The primer is on, next Saturday the house will be painted

more to come ...

More Renegade news....

Sundays
2:30-4:30pm

INDOOR
PRACTICES

Indoor practices are well underway, please come join us and get yourself in shape for the season. First day on the water can't be more than a month away so if you're interested in learning more, someone will help you. This is also an excellent opportunity to meet others and see what show skiing is all about.

Construction of the new Dock walkway All materials were donated by Helmcamp Construction Company.

Membership

The membership renewal form has been posted on the www.Altonski.com website, print a copy, and ask a friend to join. Please note there is Regular Alton ski club memberships and River Road Renegades Show Team membership. USA Waterski membership is required while participating with the show team.

Membership due date was March 1st, please sign up soon if you haven't already

Sweatshirts/Tshirts

There are a limited number of sweatshirts and tshirts still available. Check and see if we have your size. Sweatshirts are \$25. Tshirts are \$10, and car/boat decals are \$10.

Meeting Minutes

New bylaws were adopted at the March 15th meeting held at the RiverBend Billiards. With 15 in attendance, the Conflict of Interest clause was unanimously voted upon. This requirement was necessary for us to qualify for the 501(c)3. The paperwork has now been submitted. Once the club receives this status, businesses will be able to make their donation tax deductable.

We have a show announcer, yeah!! Tara Lorenz-Keller has volunteered to be our announcer. We've also gained two boat drivers, Ray Bixler and Chad Vaughn. Thank you all. There are still many other positions to be filled too. Sound people, spotters, dock hands, costumes, are just a few... so if one of these are in your talents, let us know
