### Evinrude Sponsorship

Our participation in the Pro Staff Evinrude Sponsorship in 2011 was a great addition to our club. The biggest part of the program requires us to sell these motors at the end of the season. Fortunately, we have sold one of those motors. So the good news is yes, there is another motor to sell. If anyone hears of someone looking to get a new motor for their bass or recreational boat, please give one of the board members a call. We would be more than happy to hook them up with the information. Through this program we have the opportunity to get new outboard motors and accessories for our boats.

### Mouse Race Fundraiser January 28, 2012

This year the Night at the Mouse Races will be held on Saturday, January 28th, 2012. There will also be a Silent Auction from donations from our sponsors. Tickets are available through any of the Alton Ski Club members. Prices are \$12 this year. This low, low price also includes \$6 in funny money, just to get you started. So please come out and help support the club once again. Invite your friends, we would love to fill the hall. There will also be food available and a cash bar.

### FUNDRAISERS

Fall fundraisers were very successful. The LeClairefest, in the historic district of Edwardsville, was held on Sunday, October 16th. Once again, we sold pulled pork sandwiches and had a ring toss game. The club had a beautiful day, profit was \$510. Clean-up around the shed also netted us a profit of \$190 in scrap metal, wow!

Our *BIG fundraiser* now is selling ads for our ad book. Last year we were very fortunate to have three Platinum Sponsors, RiverBills.com, Palisades Yacht Club, and New World Pasta. Let's make this another successful year and gain a few more sponsors to add to that list. We passed out more than one thousand ad books at our shows from Memorial Day to Labor Day. Let our sponsors know we appreciate their support. Ad book forms are available at [altonski.com](http://altonski.com) on the support AWWC page. Remember, Ad book sales can contribute to half of your membership dues. Last year Ad Book sales were \$1540. That's a lot of gasoline~!
